STEP 4

Account Migration

The screenshot shows the 'Account Transfer' app interface at 'STEP 4 OF 4'. A progress bar at the top indicates four steps: Phone, OTP, Email, and Password. The first three steps are marked with green checkmarks, while the fourth step, 'Password', is marked with a red circle containing the number '4'. Below the progress bar, there is a shield icon with a checkmark inside a circle. The main heading is 'Create a New Password', followed by the instruction: 'For your security, please create a new password for your account.' Below this is a text input field labeled 'New Password *' with a toggle icon on the right. At the bottom, there are five password requirements, each with a green checkmark icon:

- At least one special character
- At least one uppercase letter
- At least one lowercase letter
- At least one number
- 8–15 characters long

Patient Registration

STEP 1

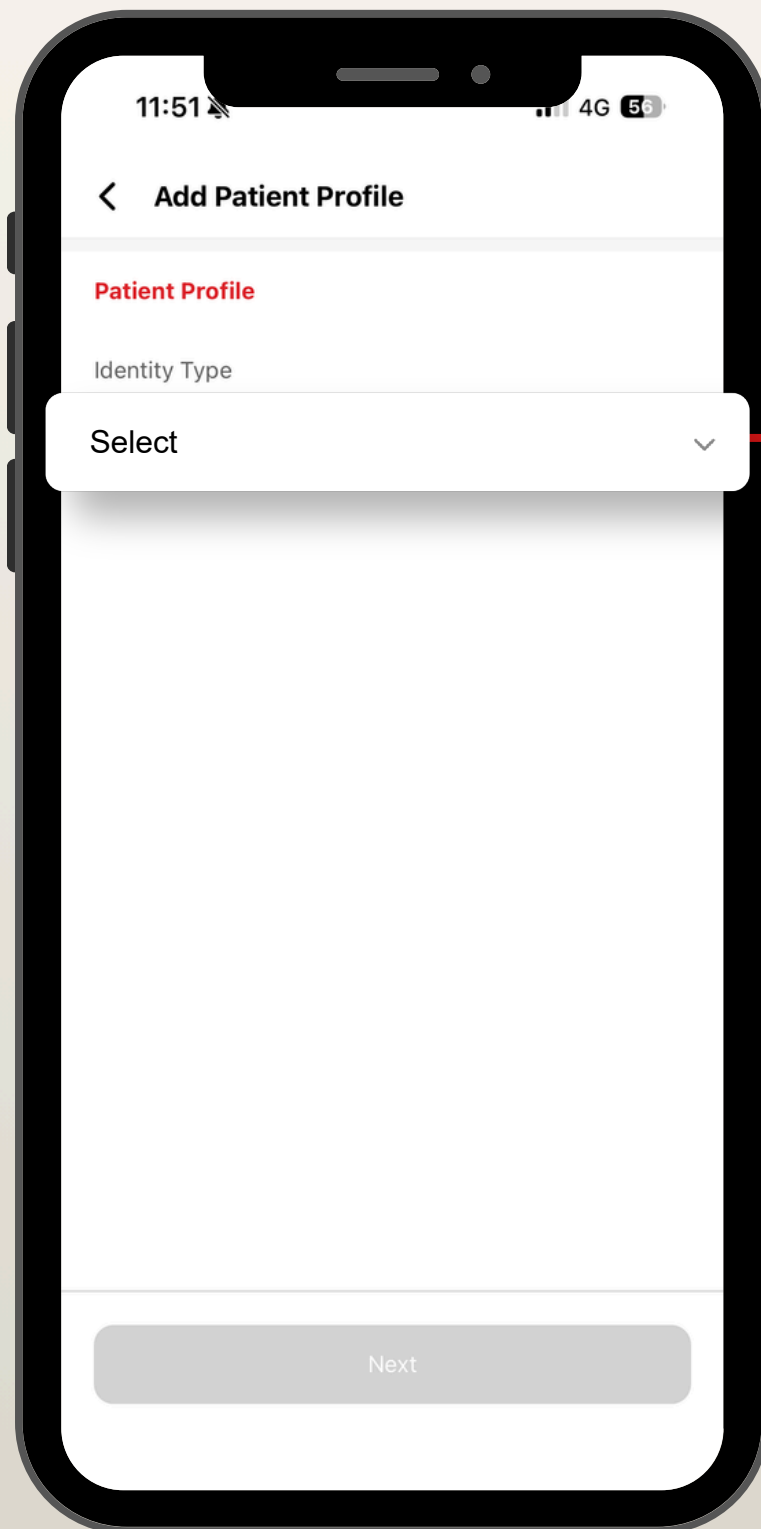

Click on the **ME** tab

Select **ADD**
PATIENT PROFILE

Patient Registration

STEP 2

The image shows a smartphone screen with a black bezel. The screen displays a mobile application interface for adding a patient profile. At the top, the status bar shows the time 11:51, signal strength, 4G connectivity, and a 56% battery level. Below the status bar is a navigation bar with a back arrow and the text 'Add Patient Profile'. The main content area has a section header 'Patient Profile' in red. Below this is a label 'Identity Type' followed by a white dropdown menu with the text 'Select' and a downward arrow. A red line connects the dropdown menu to a red callout box on the right. At the bottom of the screen is a grey button labeled 'Next'.

Click **SELECT** & choose the option you would like to register with

Patient Registration

STEP 3

Fill in according to your selected option

The screenshot shows a mobile app interface for adding a patient profile. The title bar at the top is dark grey with a back arrow and the text "Add Patient Profile". Below the title bar, the section "Patient Profile" is visible. Under "Identity Type", a dropdown menu shows "NRIC" selected. Below this, the text "Insert your NRIC" is displayed. A white modal is open in the center of the screen, containing a "Select" label, a grey button labeled "NRIC", a label "Passport Number" with a dotted line below it, and a red button labeled "Select". At the bottom of the screen, a dark grey button labeled "Next" is visible.

The screenshot shows the same mobile app interface. The "Identity Type" dropdown now shows "NRIC" selected. Below it, the text "Insert your IC" is displayed and highlighted with a red rectangular border. At the bottom of the screen, a grey button labeled "Next" is visible.

STEP 2

Select a
PATIENT PROFILE

The interface shows the Sunway Medical Centre logo and name at the top left, and a notification bell icon at the top right. Below the header, the user is greeted with "Hi, John Smith". A white card displays the patient information: "PATIENT-204534" and "MRN: 9700202917". The rest of the screen is a large white area for selecting a patient profile.

SUNWAY
MEDICAL CENTRE
Velocity Kuala Lumpur

Hi, John Smith

PATIENT-204534
MRN: 9700202917

The interface shows the patient information at the top: "PATIENT-204534" and "MRN: 9700202917". Below this, a white card contains the instruction "Please key in your D.O.B (e.g. 01Jan1980)". There is a text input field labeled "Date of Birth" and a red "Enter" button. At the bottom, a note states: "Note: Your report(s) will be available for 90 days from the date of examination."
